RESIDENTIAL EV CHARGING STATION REBATE PROGRAM CALGREEN CHECK REQUEST FORM

Please email to bwpevs@burbankca.gov

Certain EV charging installation costs incurred in compliance with the California Green Building Standards Code (CalGreen) are not eligible under the program. If building permits for your residence were filed after December 31, 2012, costs for panel capacity increase and dedicated conduits should not be included in your application.

If you need assistance to determine if this applies to your residence, please fill out this form. We will email back information relevant to your residence to help you prepare your rebate application.
